SKILLS

Languages: C++, Python, Java, C, HTML, CSS, JSON, Docker

Tools & Databases: n8n, Python, REST APIs, Google NLP API, Google Sheets API, Gmail API, Telegram Bot API

Soft Skills: Problem-Solving, Teamwork, Time Management, Adaptability

PROJECTS

Automated IT Resume Classification System using n8n and ML | LINK Nov' 24

- Designed and implemented an automated resume-screening system using n8n and LLM-driven machine learning
- Trained a custom ML model to classify whether a candidate's resume fits IT-sector requirements and integrated the model with n8n to enable real-time automated classification, workflow triggers, and streamlined recruitment processes
- Processed 50+ documents automatically

Tech Stack: Python, n8n, JSON

Meeting Automation System with n8n & Telegram Bot | LINK Oct' 24

- Schedules meetings automatically based on user input and availability
- Sends and receives meeting details through a Telegram bot
- Creates calendar invites and notifies all participants instantly

Tech Stack: Python, n8n, Google APIs

Automated Telegram-Based Order Processing System using n8n & Google APIs | LINK Sep'24

- Designed and implemented a complete Telegram-based order automation workflow
- Integrated Google Sheets API for auto-logging and Gmail API for confirmations
- Added human-in-the-loop approval to finalize orders

Tech Stack: n8n, Telegram Bot API, Google Sheets

SUMMER TRAINING

Logic Building, Programming & Data Structures | LINK Jul '24

- Built a dynamic ranking system using C++ OOP and DSA for relevance-based search ordering
- Integrated MySQL database with backend logic; created basic UI using HTML/CSS
- Performed debugging, algorithm optimization, and system documentation

Tech Stack: C++, STL, Heaps, Queues, MySQL, HTML/CSS

CERTIFICATES

Build Generative AI Appsand Solutions with No-Code Tools | LINK Apr'25
Computational Theory: Language Principle & Finite Automata Theory | LINK Aug'25
ChatGPT Made Easy: Al Essentials for Beginners| LINK Aug' 24

EDUCATION

Lovely Professional University Phagwara, Punja
B. Tech CSE Aug' 23 –Present
CGPA: 6.9

MHAC Nagbani School Nagbani, Jammu & Kashmir
Intermediate Mar' 22 – May'23
Percentage: 71%

MHAC Nagbani School Nagbani, Jammu & Kashmir
Matriculation Mar' 20 – May' 21
Percentage: 81%
